

TWELVE BALLOTS  
WITH NO CHOICE  
AT BALTIMORE.

Clark Gets New York's Vote on the 10th Ballot, But on Two Succeeding Ballots He Falls Away From His High Mark of 556.

VERMONT'S EIGHT VOTES GO TO WOODROW WILSON

Convention Adjourned at 3.05

This Morning Until 1 O'Clock This Afternoon, in the Hope That a Conference May Settle Matters.

Baltimore, June 29.—Giving up all attempt to break the existing deadlock, the leaders in the Democratic party at 3:05 o'clock this morning decided upon an adjournment until 1 o'clock in the afternoon, in the hope that some sort of an agreement might be reached as to a presidential nominee. Many of the delegates protested against the delay caused by the adjournment, but apparently there was no hope of settling the nomination by conferences on the convention floor.

Twelve ballots were taken. Champ Clark made a sensational gain on the 10th, when New York's solid block of 90 votes went to him. On this ballot Mr. Clark's total reached a high-water mark of 556, a clear majority, but 170 votes short of the necessary two-thirds to nominate.

On the 11th and 12th ballots, Clark fell away to 554 and 549.

Governor Woodrow Wilson held his forces steadily together and during the night's voting there were but slight fluctuations in his totals. Votes lost in some delegations were made up in others. Wilson's last total was 534.

Governor Harmon on the last ballot dropped to 29 votes, cast by members of the Ohio delegation. New York's desertion brought the Ohio executive rapidly down.

The long night and early morning session was marked by several noisy demonstrations. The first came from the Clark adherents, when New York shifted to the speaker. Then came a counter-demonstration from the Wilson people when 10 Wilson delegates from Oklahoma declared they would not be "dragged into Tammany hall." The New York vote cast by Mr. Murphy was nearly always greeted with mingled hisses and cheers.

Leaders in the convention viewed the situation with some concern when the night session adjourned. The Clark strength seemed to have been fully tested, and he was still far short. Governor Wilson did not make the gains that his managers expected.

There was a report at adjournment that the New York delegation had agreed to vote for Clark only on three ballots, giving the speaker a full opportunity to display his greatest strength. It also was said that New York next would go to Underwood. This will serve as a further test of the ability of Wilson to hold his votes. If he continues to do so, New York will eventually go to him. The Clark people assert they have sufficient "rock-ribbed" votes to prevent the nomination of any other man.

The situation was apparently as badly mixed as ever as the third delegate fled out of the convention hall shortly before daybreak this morning to seek a little rest before going on with the struggle in the afternoon.

Chairman James at 4:18 yesterday afternoon announced that the roll call for the presidential nomination would be resumed at once.

Eight votes went to the Wilson standard on the second ballot amid wild cheers when Vermont was called. The entire vote had been given to Governor Baldwin of Connecticut on the first ballot.

The fifth roll call was begun at 6:30 o'clock. The first break-up in the "favorite son" delegates came when Connecticut was reached. Underwood got nine, Clark four, and Wilson one of the 14 votes that had gone to Governor Baldwin on the four preceding ballots.

The Connecticut change of vote was hailed with cheers by the partisans of the candidates who profited by the switch.

Kansas Under Unit Rule.

When Kansas was reached, where Clark had received the solid delegation of 20 in the preceding roll calls, the vote was challenged by J. W. Orr, a Wilson delegate.

Chairman James ruled that "as long as two-thirds of the delegates from Kansas have not decided that Clark has no chance for the nomination," the Kansas vote must be cast for Clark "in its entirety."

A poll of the delegates showed that they stood: Wilson, 11; Clark, 9; Chairman James held that the entire vote must go to Clark under the unit rule.

After the announcement of the result of the fifth ballot, Chairman James recognized a motion to recess until 9:30 last evening. There was a chorus of disapproval when the motion to adjourn was put, but James declared it carried. The convention adjourned at 7:18 until 9:30.

Chairman James again called the con-

vention to order at 9:42. The roll call then proceeded.

While the seventh roll call was being taken a circular denouncing Wilson was distributed among the delegates. A Wilson man from New Jersey objected and the distribution was ordered stopped. It took a squad of police to stop it and for a few minutes trouble seemed imminent. But the disorder was quieted and the roll call proceeded.

While the seventh ballot was in progress, Murphy of New York, Taggart of Indiana and Sullivan of Illinois were in earnest conference, endeavoring to agree upon some concerted plan of action. It was said a determined effort was being made in the Illinois delegation to swing it to Wilson.

The start of the ninth roll call was begun at 11:25 o'clock. It resulted in no nomination.

New York Gives Clark 90.

New York threw 81 votes to Clark on the 10th ballot.

The announcement of the 81 votes for Clark from New York started a demonstration among the Clark delegates. They did not wait for Murphy to announce the completion of the New York vote, that state having 90 in all.

The long predicted "break" in the New York delegation came on the tenth ballot when Leader Murphy announced 81 of the 90 votes from that state for Clark. He got no further when a great demonstration broke out among the speaker's delegates and friends.

While it was in progress there were several fistfights on the floor.

Those who claimed to be in the confidence of the New York delegates predicted there would be a switch away from Clark on subsequent ballots.

Murphy later announced that the New York delegation showed 81 for Clark, eight for Wilson and 1 for Underwood, but under the unit rule gave all its 90 votes to Clark.

The hand began playing "Tammany" and the delegations which have supported Clark from the outset began a procession around the hall.

During the demonstration a Clark adherent grabbed the standard of the Massachusetts delegation, that state not having voted. A scramble in which the Wilson and Clark men indulged resulted. The standards of several were carried to the platform, where the sergeant-at-arms endeavored to restrain them. After a scramble the bearers reached the chairman's platform.

When Oklahoma was called and cast 10 votes for Wilson and 10 for Clark, an Oklahoma delegate said: "Believing this convention wants Clark—" he was interrupted by another Oklahoma delegate, who said:

"But we don't want to go where Tammany goes." A Wilson demonstration followed.

The demonstration continued for 21 minutes, but finally the call of the roll was resumed. Then Murphy again announced New York: "Eighty-one for Clark; one for Underwood; eight for Wilson."

"New York votes under the unit rule," announced Chairman James, "and under that rule casts 90 for Clark."

Another outbreak followed this statement.

In North Carolina, Wilson gained one at the expense of Underwood.

In Ohio, Wilson lost two to Clark.

A Clark man in the Oklahoma Wilson delegation wanted the delegation polled. A Wilson demonstration got under way at once. When this demonstration had been under way for some time, William J. Bryan, accompanied by Mrs. Bryan, entered the hall. He went at once to the section occupied by the Nebraska delegation, and Mrs. Bryan went to the stage. The demonstration increased as she appeared and laughingly waved a greeting to the Wilson voters.

Later Bryan moved to the seats of the Oregon delegation. A big crowd of delegates crowded around him, cheering wildly.

The demonstration had been under way 32 minutes, when Senator James sent the sergeants-at-arms through the aisles.

This had little effect, for the bulk of the disturbance came from the galleries.

Mr. Bryan returned to his place with the Nebraska delegates, just as the uproar began to subside. When some semblance of order was restored, Chairman James ordered Oklahoma passed.

Pennsylvania gave Clark five, a gain of one. Wilson got 71, a loss of one.

In Tennessee Clark gained five, Wilson gained one; Harmon lost four, Underwood and Gaylor each one, striking Gaylor off the roll.

In Alaska Wilson gained one from Clark.

Wilson gained another from Clark in Porto Rico.

In Connecticut, which had been passed, Clark gained four from Underwood.

Chairman James directed that the Oklahoma vote which was in dispute be cast 10 for Clark and 10 for Wilson.

The result of the vote on the tenth ballot was: Clark, 556; Wilson, 330%; Underwood, 117%; Harmon, 31; Marshall, 31; Kern, 1; Bryan, 1.

This was a gain of 104 for Clark, but he still lacked 170 of the necessary two-thirds. Wilson lost two, Underwood five, and Harmon 96.

The 11th ballot as officially announced was: Clark, 554; Wilson, 334%; Underwood, 118%; Harmon, 29; Marshall, 30; Kern, 1; Bryan, 1.

The conclusion of the 12th ballot at 2:55 a. m. found the vote as follows: Twelfth ballot, official: Total, 1,088; Clark, 549; Wilson, 334; Underwood, 123; Harmon, 29; Marshall, 30; Kern, 1; Bryan, 1 not voting.

The convention then adjourned until 1 p. m.

Democratic Platform Demands  
Tariff Revision

OF THE DOWNWARD KIND

Favors Supervision of Railroads, Express, Telegraph and Telephone Companies and the Election of U. S. Senators by Direct Vote.

Baltimore, June 28.—The Democratic platform declares for tariff for revenue only, favors an immediate downward revision, especially upon necessities, and denounces Taft's veto of the last Congress' tariff bill.

It condemns the Republican party for "failure to redeem the promises of 1908 for a downward revision" and takes issue with the Republican platform as to the high cost of living.

It favors a vigorous enforcement of the criminal features of the anti-trust law. It is urged that the people support the proposed constitutional amendments providing for an income tax and the election of United States senators by direct vote.

It favors the supervision of railroads, express companies, telegraph and telephone companies, and valuation of such companies by the interstate commerce commission.

While demanding a revision of the banking laws, to give relief in cases of financial distress, it denounces the Aldrich bill and condemns the present method of depositing government funds.

It pledges the party to the enactment of a law to deposit such funds in state and national banks without discrimination and by competitive bidding.

It recommends an investigation of agriculture credit societies in Europe to ascertain whether the system of rural credits can be established in the United States and pledges the party to the enactment of legislation to prevent food devastation in the lower Mississippi valley.

It repeats the declaration in the platform of 1908 as to labor's rights and pledges the party to an employee's compensation bill. It declares the withdrawal of public land unnecessary and favors the encouragement of agriculture, the suppression of gambling in agricultural products and favors fostering the growth of the merchant marine.

The speedy enactment of the laws for the greater security of the lives of people at sea is urged.

It reaffirms the party's position against "a policy of imperialism and colonial exploitation in the Philippines."

The party's post is favored, as is the extension of rural delivery.

Referring to the party's attitude toward the Democratic party offers itself as an agency through which the complete overthrow and extirpation of corruption, fraud and machine rule in American politics can be effected.

KEOGH STILL  
PRESIDES IN  
THAW CASE

Conference Ends Suddenly and Examination of the Prisoner Is Resumed

White Plains, N. Y., June 29.—The conference between judge and counsel which Thursday halted the Thaw hearing was continued yesterday morning when Judge Keogh summoned William T. Jerome and Clarence J. Shearn to his private chamber. Later the official stenographer was called in. Thaw sat in court unconcernedly reading a magazine while the conference was going on.

As suddenly as it had begun, the conference ended and Thaw was recalled to the stand for further examination by Jerome, Justice Keogh still presiding.

Mr. Shearn, who had said previously he would cross examine his client, said he would not do so.

CORNELL THE FAVORITE.

Picked to Win in To-day's Race at Poughkeepsie.

Poughkeepsie, N. Y., June 29.—With favorable weather conditions, sensational finishes are expected in to-day's intercollegiate regatta, when crews representing Cornell, Columbia, Syracuse, Wisconsin, Pennsylvania and Leland-Stanford university will measure blades for supremacy on the classic Hudson course.

After weeks of training, the crews were declared by their respective coaches last night to be fit for the struggle. Stanford has no crews entered in the two-mile variety four and freshman eight events, which will precede the varsity four-mile race, and Wisconsin will not be represented in the fours.

With the prestige which success year after year has brought to Cornell, the Ithacans naturally are favorites again this year, but in the varsity race, which will be rowed in the late afternoon, the Columbia crew is expected to give the Cornellians the row of their lives, while Syracuse is regarded as a formidable opponent.

Francis McDonald of Burlington is spending a few weeks at the home of B. M. Miles of West street.

EDDY WILL  
REHEARING  
IS DENIED.

George W. Glover Lost in Plea for New Contest Suit Yesterday in Supreme Court.

Concord, N. H., June 29.—A rehearing in the case involving the legality of the residuary bequest of Mrs. Mary Baker G. Eddy, founder of the Christian Science church, to the First Church of Christ, Scientist, of Boston, was denied by the supreme court yesterday.

The suit was originally brought in the superior court by Mrs. Eddy's son, George W. Glover of Leamington, N. H., seeking to have the residuary bequest declared void and the residuary of the Eddy estate, valued at about \$2,000,000, divided between Glover and Mrs. Eddy's adopted son, Dr. Ebenezer J. Foster Eddy, of Waterbury, Vt.

This was referred to the supreme court for determination of the points of law involved. The supreme court recently ruled the residuary bequest was legal and did not conflict with statutes quoted by the plaintiffs limiting the size of bequests to churches. Counsel for Glover then asked for a rehearing.

PLANK LEFT OUT BY MISTAKE.

Approved by Platform Committee But Not Presented to Convention.

Editor Times: A most regrettable omission occurred in the final draft of the Republican state platform at the Burlington convention yesterday, due to the error of the copyist to whom was entrusted the task of putting in type-written form the resolutions as revised by the committee at its Wednesday night session. The original copy shows the following plank, adopted by the committee:

"We earnestly recommend the passage of an act exempting not less than ten dollars in wages from the trustee process. It is unfair to seek the substitution of any partial remedy for this admitted injustice to the laboring man. The fact that this plank did not appear in the resolutions as read and was not therefore adopted as a part of the platform, did not come to my notice (and I presume not to the notice of any other member of the committee) until after the convention had adjourned—too late to rectify it. The declaration made on this wage exemption question was of much importance to the laboring men, was unanimously favored by the committee and in all probability would have been adopted by the convention with the remainder of the platform."

Under the circumstances, it is hoped that the unintentional omission, due to the haste with which the final copy had to be prepared, will not prejudice the party before the voters, and that the matter will receive the same attention by the lawmakers as though the unfortunate error had not occurred.

Very truly,

TRAIN KILLS 20 CATTLE.

West Rutland Man Will Sue D. & H. for \$500 Damages.

Rutland, June 29.—Twenty-head of young cattle belonging to Charles H. Campbell of West Rutland were killed by a Delaware & Hudson train, two miles west of the village yesterday morning, 16 being killed outright and the rest being so maimed that they were shot. The loss is \$500 and Mr. Campbell will bring suit to collect damages.

"The animals got out of a pasture in some way and strayed onto the track. The large number killed is due to the fact that after some had been struck, the rest ran ahead of the train and were caught on a bridge. Witnesses say that the engineer blew his whistle violently but did not slacken speed until after the slaughter."

ENGINEER FALLS  
OFF LOCOMOTIVE  
AND IS KILLED.

W. D. Richardson, Doing Both His and Fireman's Work, Is Overcome on Central Freight and Falls Into River at Browns Mills.

W. D. Richardson, a Central Vermont engineer running compound engine 412 on a freight out of Roxbury, fell out of his engine and into the river at bridge No. 6, near Browns mills, last night, and was drowned.

Richardson's fireman was in the baggage car at the time, doing baggage work, while the engineer was doing both men's work. It is thought he must have overworked and while standing in the gangway fainted and fell off the engine into the river. The body was found this morning in about five feet of water.

The first knowledge of anything wrong came when the conductor noticed the engineer was not whistling for crossings. He and the fireman made their way to the engine and ran it to Montpelier Junction, where another engineer was secured. In setting off at Northfield Falls to let a passenger by, the tender of the freight engine went off the rails.

Richardson was about 26 years of age, was married and had one child in St. Albans. He came to the Central Vermont from the Maine Central about a year and a half ago.

GRANITEVILLE A. C. WINS AGAIN.

Takes Game From East Barre in Sunset League.

The Graniteville A. C. continue in their triumphant march towards the championship of the Sunset league. Last night at East Barre they met out to the East Barre A. C. another defeat, sending the East Barre outfit down another peg into the cellar. The Graniteville team is playing wonderful ball and have yet to taste of defeat, last night's victory making seven straight. At the other extreme is the East Barre club, which has yet to win a game, having lost six straight. The Barre Blue Sox won into second place by virtue of its conquest of the Williams-town A. C. last night at Williams-town, shoving the Biltown lads into third place.

The game at East Barre was a pitchers' battle with the honors about evenly divided between Finnegan of the Graniteville A. C. and J. Roark of the East Barre team.

The Graniteville A. C. were awarded with the win, the score standing 3 to 2. The G. A. C. made their three runs in the fourth inning. Kenefick in the field started the rally, by dropping an easy fly.

Quickly following the G. A. C. bunched several hits, which resulted in the runs. In the fifth, Pickering drove in East Barre's first run with a well-placed hit. In the ninth with two out, the East Barre lads started a batting rally, which was brought to a close by a sensational jumping catch by McAuley, the left fielder of the league leaders.

The hitting of Taplin and Pickering featured the game, each having a perfect average for the day.

At Williams-town, "Ham" Robertson assayed the role of heavier, but being indisposed, he left the mound in the second inning, after six runs had been made of his delivery. Young Louis Hour was then sent to the front and stopped the onslaught of the Biltowners. During the nine innings the Barre team were able to roll in eleven runs. The battery for the home team was McAllister and Lazelle. Smith, Murray and Hour led in the hitting for the winners, each slamming out three hits. For Williams-town, Martin was the stellar swatter, knocking out a home run in the first with two men on bases. Bill Stuart and Ham Robertson furnished a few fielding stunts that brought forth much applause. The big pitcher, after retiring from the pitchers' hill, betook himself to second base. Robertson covered the bag with ease, making several incredible plays.
